The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Moreau Emergency Squad Expansion project in the fiscal year 2024. The entity to receive funding for this project is the Moreau Emergency Squad, Inc. located at 1583 Route 9, Moreau, New York 12828.

The federal funding would be used for architectural design, construction and interior design of an expanded emergency service facility to house a growing emergency vehicle fleet and staff. This additional building space will add 9,820 square feet to the current facility and will help better the Moreau Emergency Squad better ensure community safety.

I certify that neither I nor my immediate family has any financial interest in this project.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(19).

Sincerely,

A handwritten signature in black ink that reads "Paul D. Tonko".
